

DOG RUNESTONE WHITE PAPER

ABOUT DOG RUNESTONE

Dog Runestone is a memecoin within the solana network powered by the Solmemecoins community with the current RUNES trend. It was created as a playful experiment to interact with the dog lovers. Can be very volatile but with high interest and community feeling

THE MEANING OF DOG RUNESTONE

- DOG

He is a very cute unique hooded puppy that everyone loves and wants to have in their home.

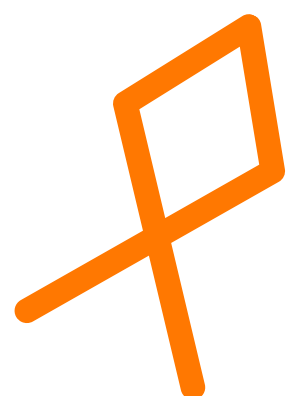

- Rune

"The word Rune means mystery," he whispered.

Dog's whisper goes throughout the world and is surrounded by the 24 Runes.

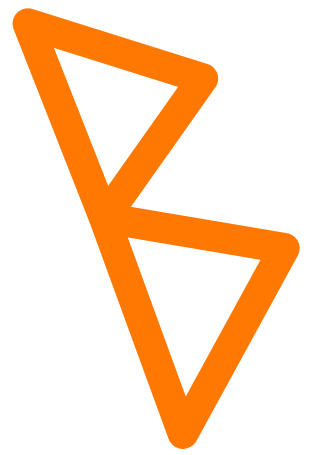

- Stone.

Dog is armored by rock that no one can hurt him.
